BUSTER BROWN

The school children need the best of Shoes—they can't be too good! With the games they play and the trotting around they do, they kick out the toes, scuff the heels, and scrape through the soles in no time, if the Shoes are not of the best materials. Our School Shoes give the limit of good wear and comfort because the leathers, trimmings and workmanship are of a quality that we insisted should go into our shoes. Boys' Shoes, \$1.50 to \$2.50. Girls' Shoes, \$1.00 to \$2.00. It will cost less money to keep the children in School Shoes if they wear Our Kind than it will if they wear the uncertain sort.

C. W. AVERILL & CO.,

Barre, Vermont.

We are now ready to show you our Fall styles in shoes which we believe are the strongest lines to be found in style, fit and wear at the prices we name. Our men's line run from \$1.50 to \$6.00, and women's from \$1.50 to \$4.00, and we warrant every pair to be as represented or we stand the loss. Your inspection of them will prove the above. Let us show you

School Shoes

for boys, youths, misses and children. We use the same care in selecting, and try to get the best values at the price, and our trade seem to think we hit the mark. If you have never tried our lines let us prove it to you by selling you the next pair you may need.

The Store of Better Shoes

GREAT DEMAND THIS SPRING FOR TENEMENTS,

especially in south and easterly sections of the city. I have lots on many desirable streets and mostly in eastern section of city, on Hill St., Ayer St., Kirk St., Quarry Circle, Camp, Tremont, East, Currier, Grandview, Long St., any of which I will sell at as favorable prices, or more favorable than equally as desirable lots can be had elsewhere. If you were to buy a cow you would usually see a party who had many for sale, rather than buy a man's only cow. Take a walk during the next day or two, visiting above streets. Notice they are our best streets and lots well elevated. No fear of surface water or floods.
